

Trail Of Tears

Halford

Such desperation
Left you in shame
This bitter harvest
Bearing all the blameMan will never end your suffering
Stealing all your years
God is with you but won't save you
From your Trail of TearsFrom this oblivion
Seek dignity
Just human cargo
Crying to be freeMan will never end your suffering
Stealing all your years
God is with you but won't save youChange it
Gonna change it - change itGreed of man has pushed you over
Feeding on the fears
Poverty will always prosper
On your Trail of TearsMan will never end your suffering
Stealing all your years
God is with you but won't save you
From your Trail of Tears
