## Magnapop

Sometimes I'm so stuck  
I'm never helpless  
And I can hear youCause you are like me  
We are the insects  
I have a cocoon  
And so do youSometimes I am so empty  
Sometimes I am so emptySome people  
Never bother  
In empty glasses  
The truth is strengthened thereWith conviction  
Of the power  
Beneath the tear stained eyeSometimes I am so empty x8
