

# Don't Think Twice, It's All Right

## Peter, Paul & Mary

It ain't no use to sit and wonder why, babe  
It don't matter anyhow  
And it ain't no use to sit and wonder why, babe  
If you don't know by now When the rooster crows at the break of dawn  
Look out your window and I'll be gone  
You're the reason, I'm traveling on  
Don't think twice it's all right It ain't no use in turning on your light, babe  
Light I've never known  
It ain't no use in turning on the light, babe  
I'm on the dark side of the road Still I wish there was something you would do or say  
To try and make me change my mind and stay  
We never did too much talking anyway  
So don't think twice, it's all right I'm walking down that long lonesome road babe  
Where I'm bound, I can't tell  
But goodbye is too good a word gal  
So I'll just say fare thee well I ain't saying you treated me unkind  
You could have done better but I don't mind  
You just sorta wasted my precious time  
Don't think twice it's all right It ain't no use in calling out my name, now  
Like you've never did before  
It ain't no use in calling out my name, now  
I can't hear you anymore I'm thinking and a wondering, all the way down that road  
I once loved a woman, a child I'm told  
I gave her my heart, but she wanted my soul  
Don't think twice, it's all right
