

Beauty of Your Smile

[Alejandro Escovedo](#)

Rico's on the corner wearing a skirt made of cellophone.

Melina's in the alley washing the blood out of his shirt.

The Candyman and the Starman are taking tips from a shaman who's working under the webcam, all angles and long shots.No one can take the beauty of your smile.

No one can break the beauty of your smile.Billy Nightshade owns the corner of Eddy and Jones.

Bambi lives in a room made of clothes.

Paris models sell us memories at a yard sale.

Hit it hard. Hit it hard.

Don't worry about the slow girl.No one can take the beauty of your smile.

No one can break the beauty of your smile.Come on...No one can break the beauty of your smile.

No one can take the beauty of your smile.Methadone is a lonely home when you're noddin' out in the lobby of the Taylor Hotel.

The ghosts of the doormen still smell like piss and howl for no reason at the ghosts of longshoremen.

Cop covered passing in the shape of a gun.

There's no safe way home when you're on the run.

I told her not to go.

I told her not to go.

There's no safe way home when you are made of life.No one can take the beauty of your smile.

No one can break the beauty of your smile.No one can take the beauty of your smile.

No one can break the beauty of your smile.
