Faithfulness

Jeremy Ellis

FaithfulnessVerse 1
Mighty God You are
A shield about me when
The winds arise
And rage on like a hurricane
You are my fortress and my strengthVerse 2
Unchanging God
You are constant even when
My feelings change
Like branches swaying in the wind
You are the light that guides my wayChorus 1
Your faithfulness is a shield
To Your promises my soul will yield
I have witnessed
Your great faithfulness Oh GodThe compassion you pour on me
Has made these blind eyes see
I have witnessed
Your great faithfulness Oh GodBridge
When my heart is overwhelmed
And my strength gives way
Your promises of hope
They will never failChorus 2
Your faithfulness is my shield
To Your promises this soul will yield
For I have witnessed
Your great faithfulness Oh GodThe compassion you pour on me
Has made these blind eyes see
I have witnessed
Your great faithfulness Oh GodEnding
When my heart is overwhelmed
And my strength gives way
Your promises of hope
They will never fail
