Famous Last Words

Zeromancer

Kill your senses
You might be right
Hold your fire
I'll take you higher
Never drop
We'll never stopTar for feathers
Blood for honey
Milk for money
Isn't it funny how it hurts
How it hurtsYou never see me make
The same mistake twice
You never see a tear
Coming out of these eyes
You never see me beg
For another shot
And you never see me change
Into something I'm not
Famous last wordsStare at someone
You used to know
Laughs at you
Turns around and fade away
If only I could see it that wayKill your senses
It can't be right
Isn't it funny how it hurtsYou never see me make
The same mistake twice
You never see a tear
Coming out of these eyes
You never see me quit
See me disengage
And you never see me spit in your face
Out of rage
