

Nightingale (Live From Honda Center)

Demi Lovato

I can't sleep tonight
Wide awake and so confused
Everything's in line
But I am bruised
I need a voice to echo
I need a light to take me home
I kinda need a hero
Is it you? I never see the forest for the trees
I could really use your melody
Baby I'm a little blind
I think it's time for you to find me Can you be my nightingale?
Sing to me
I know you're there
You could be my sanity
Bring me peace
Sing me to sleep
Say you'll be my nightingale Somebody speak to me
'Cause I'm feeling like hell
Need you to answer me
I'm overwhelmed
I need a voice to echo
I need a light to take me home
I need a star to follow
I don't know I never see the forest for the trees
I could really use your melody
Baby I'm a little blind
I think it's time for you to find me Can you be my nightingale?
Sing to me
I know you're there
You could be my sanity
Bring me peace
Sing me to sleep
Say you'll be my nightingale I don't know what I'd do without you
Your words are like a whisper come through
As long as you are with me here tonight
I'm good Can you be my nightingale?
Still so close
I know you're there
Oh, nightingale

You sing to me
I know you're there
'Cause baby you're my sanity
You bring me peace
Sing me to sleep
Say you'll be my nightingale Oh
Mm, mm
Mm
