

Calm Down Dearest (Electric Proms)

Jamie T

Bang, where we going, what we doing this night
I feel drunk already, maybe my drink got spiked
But more like the other like that I'm just a lightweight
But I don't care, man, I been drunk forever I'm sedated
Hatred, I'm sedated, pages, I'm sedated
Worthwhile stages, cages, and all of my rage
This is a good time to start dancing to that song man
The good one, DJ, play that record of mine
So where be Joey, get me a drink of dimple whiskey
Look at the lady she be shady no but maybe
What you doing where you going to hereafter?
She said get the fuck out man you seem to be so plastered
We been all the night drinking and staring at girls alike
You know what man What goes on?
Drink your can, walk it drunk down The Strand
Talk about how you skipped the whole club queue
Who the fuck are you? Your heavy, it's on my mind
She says you feel just fine
Rackin and stackin them lines
I say, calm down dearest Heavy, it's on my mind
She says you feel just fine
Rackin and stackin them lines
I say, calm down dearest Well, I remember shootin shit down down the old alleyways
Talking tragedies and music like Billie Holiday
I remember what we're doing then but can't remember now
It's the past, it's the future but
I don't know how to carry on through the rights and wrongs
Kick it like we know the songs already
Before we rock steady down and on the dancefloor
I don't get no fights when I get angry drunk
Sit down in the corner, man, I'll soak my fuckin' socks off
So who the fuck are we Just the boys in the city
It's all been done before and we'll do it again so
See you later you alligators
We'll be back I'm sure ?
So bye, bye, bye I'll try never to ?
We are so young we don't understand if we cannot fly(?)
So we're here now but we'll be gone soon
Not today, not tomorrow, not the next two Heavy, it's on my mind

She says you feel just fine
Rackin and stackin' them lines
I say, calm down dearest
Heavy, it's on my mind
She says you feel just fine
Rackin and stackin them lines
I say, calm down dearestHeavy, it's on my mind
She says you feel just fine
Rackin and stackin them lines
I say, calm down dearestHeavy, it's on my mind
She says you feel just fine
Rackin and stackin them lines
I say, calm down dearest
