Scream

Nick Carter

It's like I'm falling in 6 feet deep
Reaching for the top but I can't breathe (?)
Got my eyes wide open but I can see, yeah
Got my arms stretched out but I can't reach
Trying to run to you
Don't know why I can't move
Feels like my feet are glued to the ground
I see the tears on your face
In your voice hear the pain
Wishing that I can make you turn around
But you don't turn around
It's like I'm screaming now/out (?)
I can't make a sound
And I don't know how to move on
Wish I could just go back
But I can do that
It's too late it's a fact you're gone
It's like trying to break a wall with my bare hands, yeah, mmm
I keep counting but the hour glass is out of sand, oh yeah
Thought I could live without you but I just can't, ohhhh whoa
Now I'm out here treading water with the sight of me (?) , oh yeah

Feels like I'm looking in
From outside taking/taken(?) in
It's a fight I can't win
It's no use
Now that you've gone away I know that it's too late
So much I want to say to you
Oh but I can't get through
While I'm screaming out/now (?)
I can't make a soundAnd I don't know how to move on
Wish I could just go back
But I can do that
It's too late it's a fact you're gone (you know?)
Whoa, oh, oh...
It's like I'm screaming out
I can't make a sound
And I don't know how to move on
Wish I could just go back

But I can't do that
It's too late it's a fact you're gone
It's like I'm falling in 6 feet deep
