

One Track Mind (Instrumental)

Mayer Hawthorne

My babys got a one track mind
Only shopping bags with expensive tags
My babys got a one track mind
And she buys her thrills when my heart unveils
Ooh I know what Im doing is wrong
But baby gives me good loving all night long
My babys got a one track mind
But shes so fineMy babys got a one track mind
Only thing she knows is designer clothes
My babys got a one track mind
Only crme brle and she gets away
Ooh I know Im in a bad situation
But baby knows just how to get my heart beat racing
My babys got a one track mind
Shes so fineWhen she walks in heels it gives me chills
Oh but when I get the bills I swear my heart skips a beat for real
My babys got a one track mind
Only shopping bags with expensive tags
My babys got a one track mind
And she buys her thrills when my heart unveils
Ooh I know what Im doing is wrong
But baby gives me good loving all night long
My babys got a one track mind
Shes so fine
Yeah shes so fine
Ooh shes so fine
Yeah shes so fine
