

Your Love is Ooh

Brian McKnight

Your love is ooh
Your love is ooh baby I contemplate, as we lay
Caught up in your web of pleasure
Let me get my thoughts together
Concentrate, stimulate
Ecstasy cannot be measured
I finally found my treasure [Chorus]
When I think about the love we make
I can't find the word to say, your love is ooh
Your love is ooh baby
When I think about the the love we make
I run out of breath and I start to shake
your love is ooh
Your love is ooh baby Take the sun
Take the moon
All I ever need is you
You make my dreams come true
Through the storm, nice and warm
Girl you know just what to do
You know just what to do I'm just an ordinary man
I don't understand
Why the way that I feel gets so hard for me
To explain
Am I dreamin'? [Chorus] And my heart is beating, sore from being
Loved so beyond my needs
All I know is I want the world to know
Your love is oh
Your love is oh
Your love is, oh
