

Run Home

Rough Cutt

I fell for the company girl
And it leaves me in charge
She dont pay what the salary will
And no company car

And it hurts when it pounds along with this heartbeat.

Well its taking its toll, but it wont for very longIll run home, Im goneBack to the factory wheel

Believe me Im in charge
I fell back on a factory girl
But they take me apart

And it hurts when they pound along with this heartbeat.

And if I leave it this way, then it wont be there at allIm back to the factory wheel

And it keeps me coming home
It takes me apart

And it hurts when it pounds with this heart, so
Ill run home, Im gone
