

Starfjallur

Sigur Rás

Starfjallur Staring Elf

Blátt Yfir Himininn Blue Night Over The Sky
Blátt Yfir Mátt Blue Night Over Me
Horf-Inn Ást Um Gluggann Dis-Appeared Out Of The Window
Minn Með Hendur Me With Hands
Faldar Undir Kinn Hidden Under My Cheek
Hugsum Daginn Minn I Think About My Day
Á Dag Og Á Gær Today And Yesterday
Blátt Áttin Klár Á Mig Á I Put On My Blue Nighties
Beint Upp Á Róm Go Straight To Bed
Breið Mjálku Söngina I Pull The Soft Covers Over
Loka Augunum Close My Eyes
Ág Fel Hausinn Minn Undir Söng I Hide My Head Under The Covers
Starir Á Mig Látill Álfur A Little Elf Stares At Me
Hleypur Átt Mátt En Hreyfist Ekki Runs Towards Me But Doesn't Move
Ást Stað - Sjálfur From Place - Himself
Starfjallur A Staring Elf
Opna Augun I Open My Eyes
Stárunar Ást Take The Crusts Out
Teygi Mig Og Tel (Hvort Ág Sá Ekki) Stretch Myself And Check (If I Haven't)
Kominn Aftur Og Alltaltíllí Returned Again And Everything Is Okay
Samt Vantar Eitthvað Still There Is Something Missing
Eins Og Alla Veggina Like All The Walls
