

Aquemini

OutKast

Even the sun goes down heroes eventually die
Horoscopes often lie and sometimes "why"
Nothin' is for sure nothin' is for certain nothin' lasts forever
But until they close the curtain
It's him and I Aquemini Now is the time to get on like Spike Lee said
Get on the bus go get your work
And keep your beeper chirpin' is a must
Is you on that dust or cornstarch
Familiar with that smack man
The music is like that green stuff
Provided to you by sack man
Pac man how in the fuck do you think we gon' do that man?
Ridin' round Old National on 18's without no gat man
I'm strapped man & ready to bust on any nigga like that man
Me and my nigga we roll together like Batman and Robin
We prayed together through hard times
And swung hard when it was fitting
But now we tappin' the brakes from all them corners
That we be bending in Volkswagens and Bonneville's
Chevrolets and Coupe De Villes
If you ain't got no rims nigga don't get no wood grain
Steering wheel for real you can go on chill out & still build
Let your paper stack instead of going into overkill
Pay ya fucking beeper bill bitch Even the sun goes down heroes eventually die
Horoscopes often lie and sometimes "why"
Nothin' is for sure nothin' is for certain nothin' lasts forever
But until they close the curtain
It's him and I Aquemini Twice upon a time there was a boy who died twice
And lived happily ever after but that's another chapter
Live from home of the brave with dirty dollars
And beauty parlors & baby bottles and bowling ball Impalas
And street scholars that's majoring in culinary arts
You know how to work bread cheese and dough
From scratch but see the catch is you can get caught
Know what ya sellin' what ya bought so cut that big talk
Let's walk to the bridge now meet me halfway
Now you may see some children dead off in the pathway
It's them poor babies walkin' slowly to the candy lady
It's lookin' bad need some hope

Like the words maybe, if, or probably more than a hobby
 When my turntables get wobbly they don't fall
 I'm sorry y'all I often drift I'm talkin' gift
 So when it comes you never look the horse inside it's grill
 Of course you know I feel like the bearer of bad news
 Don't want to be it but it's needed so what have you
 Now question is every nigga with dreads for the cause?
 Is every nigga with golds for the fall? Naw
 So don't get caught in appearance
 It's Outkast Aquemini another Black experience Okay Even the sun goes down heroes eventually die
 Horoscopes often lie and sometimes "why"
 Nothin' is for sure nothin' is for certain nothin' lasts forever
 But until they close the curtain
 It's him and I Aquemini The name is Big Boi Daddy Fat Sax
 The nigga that like them Cadillacs
 I stay down with these streets
 Cause these streets is where my folks at
 Better know that some say we pro-black boy we professional
 We missed a lot of church so the music is our confessional
 Get off the testicles and the nut sacks
 You bust a rhyme we bust back
 Get get back for real niggas that's out here tryin' to spit facts
 You hear that can't come near that maybe you need to quit
 Because Aquemini is Aquarius and Gemini runnin' shit like this
 Yea yea yea yea My mind warps and bends floats the wind count to ten
 Meet the twin Andre Ben. welcome to the lion's den
 Original skin many men comprehend
 I extend myself so you go out and tell a friend
 Sin all depends on what you believing in
 Faith is what you make it that's the hardest shit since MC Ren
 Alien can blend right on in wit' yo' kin
 Look again 'cause I swear I spot one every now and then
 It's happenin' again wish I could tell you when
 Andre this is Andre y'all just gon' have to make amends Even the sun goes down heroes eventually die
 Horoscopes often lie and sometimes "why"
 Nothin' is for sure nothin' is for certain nothin' lasts forever
 But until they close the curtain
 It's him and I Aquemini
