

# What The DJ Spins (feat. Terrence Howard)

## Empire Cast

That's what the DJ spins  
All y'all might die tonight, this is your party right  
Live it up, the drink is on me  
That's what the DJ spins, all y'all not getting home  
Live it up till the break of dawn  
Live it up 'cause life is all free, that's what the DJ spins
