

Magick

The Klaxons

Magick without tears
Magick without tears
Magick without tears
 The magical veneer
The way to mother noose
 The way to suck an egg
 The way to golden dawn
 The way to Koh Phangan
 The glitter on the snow
 The place to always go
 Do what you will
 Do what you will
 The glitter on the snow
 The place to always go
 Do what you will
 Do what you will
 Magick without tears
 Magick without tears
 Magick without tears
 The magical veneer
The way to mother noose
 The way to suck an egg
 The way to golden dawn
 The way to Koh Phangan
 The glitter on the snow
 The place to always go
 Do what you will
 Do what you will
 The glitter on the snow
 The place to always go
 Do what you will
 Do what you will
 The vision and the voice
The view from devil's tower
The snake with tail on tongue
 The broken silver one
 The glitter on the snow
 The place to always go
 Do what you will

Do what you will
Magick without tears
Magick without tears
Magick without tears
The magical veneer
