

Velvet Kitty Cat

Prince

You wanna rock, you wanna roll my velvet kitty cat
She's man's best friend, furry and cuddly and fat
Take a swing, you're up to bat
Velvet kitty cat And every day and all night, my velvet kitty cat
Wish she had a boyfriend, but they were all rats
Hm, there was nothin' underneath their hats
Sad kitty cat
Hm
And I don't want no money, no fancy cars, that ain't where it's at
I just want a body eat up all my cookies till he gets fat
Hm
I want a true love and that's that
Velvet kitty cat Go ahead on and play it cat You wanna rock, you wanna roll my velvet kitty cat
She's man's best friend, furry and cuddly and fat
I'd let you pet her but then, you gotta skat
Velvet kitty cat
Hm
Hm
I'd let you pet her, but then you gotta skat
Velvet kitty cat
I want a true love and that's that
Velvet kitty cat
Hm
You can pet her ,but then you gotta skat
Velvet kitty cat
Hm
Velvet kitty cat
Hm
