

golden strip (bomb gang girlz)

My Life with the Thrill Kill Kult

Everybody's downtown
Everybody's downtown
Everybody's downtown on the Golden StripHot box, foxy teaser
Thrill Kill's got mondo fever
Wild-eyed child of fury
In bed for bread, dirty beatnik movieNight world, red light gamblers
Outlaws and way-out dancers
Who do you think that you are?
Mad, mod world-class superstars!Camera! Action! Bring on the beat
Bomb Gang Girlz really turn up the heat
Camera! Action! Repeat
Sex bomb babe's gotta Bomb Gang beat
