

Is This What I Get for Loving You?

Marianne Faithfull

There's been a lot of talk around
That you've been seen with a certain Barbie
And now I'm so afraid I'm losing you Oh baby, don't tell me you don't want my love
I couldn't give it to just anybody
Baby, won't you tell me it's not true? Don't leave me baby
Don't tell me it's over after I trusted you
And did my best to make you happy Is this what I get for loving you, baby?
Is this what I get for loving you, baby?
There was a night when you held me tight
You said you'd always love me
You said you'd never hurt me What would there be left for me?
It's such a cruel world to be alone in
I always needed you to look out for me And baby, I'm gonna miss your lovely arms
They're the only arms I feel at home in
Don't you know how lonely I'm gonna be? Don't leave me baby
Don't tell me it's over after I trusted you
And did my best to make you happy Is this what I get for loving you, baby?
Is this what I get for loving you, baby?
There was a night when you held me tight and
You said you'd always love me
You said you'd never hurt me Don't leave me, baby
Is this what I get for loving you, baby?
Is this what I get for loving you, baby?
There was a night when you held me tight and
You said you'd always love me
You said you'd never hurt me
