

Put Your Hands Up (pete Hammond Remix)

Kylie Minogue

Put your hands up
Put your hands up
Put your hands up
Wooh

If If if if
If you feel
If you feel love tonight
Tonight
Put your hands up
If you feel love
Put your hands up
If you feel love tonight

I look around I see a million different faces
But no one's looking in my eyes
It takes a minute when I'm in these different places to realize
All we need is love in this life it's true
All I need is the love I get from you

And I wanna scream it out
If you hear what I'm saying

Put your hands up
If you feel love tonight
If you feel love
Now put your hands up
If you feel love tonight
If you feel love

Everybody knows how life get so twisted
But I won't let it bring me down
But there's no point in ever trying to resist it, just work it out
All we need is love in this life it's true
All I need is the love I get from you

And I wanna scream it out
If you hear what I'm saying

Put your hands up

If you feel love tonight
If you feel love
Now put your hands up
If you feel love tonight
If you feel love

No matter what we're gonna take this moment
Now common baby you can show me
So put your hands up
If you feel love tonight
If you feel love

If you're calling out tonight
Let me hear it now
Said if you're calling out tonight
Let me hear it
Let me hear it
Hear it

If If if if
If you feel
If If if if
If you feel love

Common' baby
Common' baby
You can show
You can show me-e-e-e

Put your hands up
If you feel love tonight
If you feel love
Now put your hands up
If you feel love tonight
If you feel love

No matter what we're gonna take this moment
Now common baby you can show me
So put your hands up
If you feel love tonight
If you feel love tonight
