Listen To Your Heart (Edmee's Unplugged Vocal Edit

D.H.T.

I know there's something in the wake of your smile
I get a notion from the look in your eyes
You've built a love, but that love falls apart
A little piece of heaven, turns to darkListen to your heart, when he's calling for you
Listen to your heart, there's nothing else you can do
I don't know where you're going, and I don't know why
But listen to your heart, before you tell him goodbyeSometimes you wonder if this fight is worth while
The precious moments are all lost in the tide
They're swept away, and nothing is what it seems
A feeling of belonging to your dreamsListen to your heart, when he's calling for you
Listen to your heart, there's nothing else you can do
I don't know where you're going, and I don't know why
But listen to your heart, before you tell him goodbyeAnd there are voices that want to be heard
So much to mentions, but you can't find the words
The sands of magic, they beauty that's been
When love was wilder than the windListen to your heart, when he's calling for you
Listen to your heart, there's nothing else you can do
I don't know where you're going, and I don't know why
But listen to your heart, before you tell him goodbyeListen to your heart...
I don't know where you're going, and I don't know why
But listen to your heart before...
You tell him goodbye...
