

# Winning the War

## 'Til Tuesday

You fight just for the sake of it  
You know what hurts the most  
You might have once been faking it  
but not it cuts too close  
Winning the war  
and losing every battle  
you close the door  
on happy ever after  
We should have stopped it long ago  
when there was love still  
but we would give in to ego  
and never stop until  
winning the war  
and losing every battle  
you close the door  
on happy ever after  
I know, you know  
winning the war  
is not winning at all  
I know, you know  
winning the war  
is not winning at all  
winning the war  
and losing every battle  
you close the door  
on happy ever after.
