N2u

(Spoken)Good Mornin' Baby
I hope you had a good time last night
Check it outVerse 1So tasty like a chocolate covered candy
All I wanna hear you tell me, is that I'm yo man
Girl, don't you know that I'm your biggest fan
Mmm, the way you workin' me I don't understand
You're my first thought, when I wake
I adore you girl
You're my sunshine, my lucky charm
I adore you girlChorusWho's is it baby? (Who's is it baby?)
Wanna hear you say it (say it)
Sounds so good when you call my name (call me)
The way you say it (say it)
You got me feenin'
Lost up in it deep inside yo love (2x)Verse 2Tonight ya body turn me on again
We're makin' love never finishin
Once we start, it's hard to stop
You on top, my head drops, oh
You're my first thought, when I wake
I adore you girl
You're my sunshine, my lucky charm
I adore you girl, me and youChorusThe way you say it, girl it's so crazy baby
That I don't believe that we make love
Whoa, whoa, whoa, whoa, whoa, whoa, whoaChorus
