Ladies and gentlemen...  
The president of the united states!  
"fella americans...doot, doot, doot..."  
He's been sick!--doot! doot!  
And I think his wife is gonna bring him  
Some chicken soap  
Plastic people!  
Oh, baby, now you're such a drag  
I know it's hard to defend an unpopular policy  
Every once in a while--  
Plastic people!  
Oh, baby, now you're such a drag  
And there's this guy from the cia he's creepin'  
Around laurel canyon  
A fine little girl she waits for me  
She's as plastic as she can be  
She paints her face with plastic goo  
And wrecks her hair with some shampoo  
Plastic people  
Oh, baby, now you're such a drag  
"i dunno...sometimes I just get tired  
Of ya honey--it's...ah..your  
Hair spray...or something..."  
  
Plastic people  
Oh, baby, now you're such a drag  
"i hear the sound of marching feet...  
Down sunset boulevard to crescent heights  
...and there...at pandora's box...  
We are confronted with...a vast  
Quantity of...plastic people..."  
Take a day and walk around

Watch the nazi's run your town  
Then go home and check yourself  
You think we're singing  
'bout someone else  
But you're plastic people  
Oh, baby, now  
You're such a drag  
Me see a neon moon above  
I searched for years I found no love  
I'm sure that love will never be  
A product of plasticity  
A product of plasticity  
Plastic, plastic people--pla-ha-ha-ha  
Ha-plastic--you are--your foot--your hair  
--your nose--your arms--you suck--you love  
--you are--your being is--you're plastic--blah  
--blah--blah--blah plastic peoples  
-a prune is not a vegetable  
--cabbage is a vegetable; makes it o.k.  
--plastic people--plastic people  
--you dream about...you think about...you eat  
...you are...ooo-hoo-hoo...  
Purple prancing--plastic people-  
Pee-pee-pee-pee-pee-peep!
