

# Appointed Forever

## The Bar and Grill Singers

Imagine me as God. I do  
I think about it day and night  
It feels so right to be a federal district judge  
And know that I'm appointed forever

I was appointed by the President  
A revelation told that I was heaven sent  
And Congress in their wisdom granted their consent  
Appointed forever

I'm a federal judge and I'm smarter than you  
for all my life  
I can do whatever I want to do for all my life  
Bring to me discovery - no matter what the issue is I guarantee  
Somebody will be sanctioned as the penalty  
And there'll be no error

My decisions cannot be questioned by you  
I'm always right  
And my wise discretion is never abused, for all my life

Think of me as royalty  
When you appear before fall upon your knees  
All knowing and omnipotent  
It's nice to be appointed forever

Even all the very worst, if you decide to take me up to get reversed  
You'll have to get the circuit court to hear you first  
And that takes forever  
Appointed forever...employed forever...appointed forever
