Who's Side Are You On?

Randy

I wanna know a little 'bout your heart, mister
Is it on your right side or on your left?
Do you believe in equality or do you believe in theft?Whose side are you on? Tell me now
Whose side are you on? Speak up
Whose side are you on?
Do you believe in solidarity or do you believe in theft?When it comes to choice of colors, brother
Is it gonna be red or black or blue?
I ain't gonna wave no white flag 'til I get th-th-through to youWhose side are you on?
Whose side are you on?
Whose side are you on?
I ain't gonna wave no white flag baby, 'til I get through to you
