

You Don't Have to Say You Love Me

[Shelby Lynne](#)

When I said, I needed you
You said you would always stay
It wasn't me who changed but you
And now you've gone away Don't you see that now you've gone
And I'm left here on my own
That I have to follow you
And beg you to come home No, you don't have to say you love me
Just be close at hand
You don't have to stay forever, I will understand
Believe me, believe me
I can't help but love you
And believe me, I will never tie you down Left alone with just a memory
Life seems dead and so unreal
There's nothing left but loneliness
There's nothing left to feel No, you don't have to say you love me
Just be close at hand
You don't have to stay forever, I will understand
Believe me, believe me
I can't help but love you
And believe me, I will never tie you down You don't have to say you love me
Just be close at hand
No, you don't have to stay forever
I will understand
Believe me, believe me, believe me, believe me
Believe me, believe me, believe me
