Lou Bega

Excuse me can I have your attention please for one more time.She tastes like cola sweet sweet sugar cola
When I took a sip from her lips she send me on a trip
She keeps me up at night and that's all because she kicksStop your diet baby you don't have to slim down
I love your curves and believe me it is every pound
Stop your diet come on do it for me
I love you round round round cause you're so sexyShe tastes like cola sweet sweet sugar cola
When I took a sip from her lips she sends me on a trip
She keeps me up at night and that's all because
she tastes like cola sweet sweet sugar cola
When I took a sip from her lips she sends me on a trip
She keeps me up at night and that's all because she kicksCan I try it Baby you don't have to be shy
You seem to be on your own and I'm wondering why
Show me all that you've got do it for me
I love you round round 'cause you're so sexyShe tastes like cola sweet sweet sugar cola
When I took a sip from her lips she sends me on a trip
She keeps me up at night and that's all because
She tastes like cola sweet sweet sugar cola
When I took a sip from her lips she sends me on a trip
She keeps me up at night and that's all because she kicksI'll be your sugar daddy you'll be my sugar cane
With every sip I'm taking you creep into my vein
You are as sweet as cola you push like caffeine
I wanna know the secret that no one's ever seenShe tastes like cola sweet sweet sugar cola
When I took a sip from her lips she sends me on a trip
She keeps me up at night and that's all cause
She tastes like cola sweet sweet sugar cola
When I took a sip from her lips she send me on a trip
She keeps me up at night and that's all because she tastes like cola
