Whatever (Scott Wozniak Remix)

Jill Scott

You pulled some tricks out your sleeve last night
Everything I fantasize about
You had me climbing up a wall
How many ways was God calledYou represented in the fashion of the truly gifted
You put it down last night
Knocked me out then had me dreaming 'bout waking up, alright
Do you want some money babyHow about some chicken wings
Do you want some fish and grits
I'll hurry and go get it
WhateverWe made a groove last night
A poignant rocking forth and back alright
Anything I can do for you
Just ask sometimes you won't have toI'll be happy just to make you happy
And that's true
Oh
We made powerfulLove last night
Never knew passion could taste so sweet alright
I made a vow to you
Everything I do for you is a joy and a gift
You got my whole life lifted
