

Celebration

Jamie Woon

Walking down the block again
Waiting for the chop-block stop again
Wondering whether I'm at home and then I wait, wait
Gotta keep rhythm to the force again
This is the time to boss again
Rolling down a road that'll never end and it's hard
Making time on the rhythm
This one's mine all for giving
Feeling fine for the living
MmmCall this
Call this a celebration if you want
Strolling
Leave a shadow in the early morning sun
Stepping out of the smoke again
Opening up in the throat again
Shuffling the dice, gonna roll again today
Follow the river to the source again
Got to get clean in the moss again
Water comes and water goes away
Making time on the rhythm
This one's mine all for giving
Feeling fine for the living
MmmCall this
Call this a celebration if you want
Strolling
Leave a shadow in the early morning sun
Saddle up on the horse again
This is the time to boss, my friend
Got to keep rolling down the end
Don't stop now
Roll up the sheets, break em down
Polish the glass 'til it's shiny now
Up on your feet, shake it out
Don't look back, no
Call this
Call this a celebration if you want
Strolling
Leave a shadow in the early morning sun
