Love Is A Marathon

Teddy Geiger

You love to run
Into the arms of anyone
Take off your shoes and socks and stay awhileYou like the adrenaline rush
Just a little too much
You go from day to day, hand to mouth
And wonder why you're unsatisfied[Chorus]
Cause love is a marathon
That's why you get tired so fast of everyone
Slow down and pace yourself
Cause when it's good
Its a long open roadYou think still
You'll find a soul behind a thrill
You're just a cat chasing your tail round and round
But if you relax
Something might last[Chorus]You're exhausted
Always counting down
While trying to come up for air
Trying to act like you just don't care[Chorus]
