Well a we say "give me the light' and "buss a bottle of Mo"
And a welcome people to Jamrock each and every stage show
Try fi overlook we dem time deh, cant do it now
The only sound is crickets, critics cant speak now I man si di enemies a rise, ain't no surprise
Mi give bad man a blaze and a laugh
Dem a look fi my demise wid dem lies dem a work dem witchcraft
Pon elected and protected by the chief of staff
So make dem get feisty dem face will face my Clarks I see di enemies a rise and don't surprise If dem line out
inna chalk
If dem love dem life, dem watch how dem move, and mine how dem a talk
When the lion dem wake and roar, that mean seh no dog no bark
If a supn dem a prove, then a supn dem a lose when man a get dark P p p plaque up inna mi head
Ah ignite up inna mi thoughts
So don't be fooling yourself and think a yuh alone smart
Di profit tell you seh provoke the youths not to wrath
Deal wid di youth dem right or else a Riot going start When di lion dem a sleep, do no wake them up back
Mi sorry fi di sheep, leopard and di bullfrog
When di peace it a keep, do no get wi head hot
Deal wid di youth dem right or else a Riot going start
Deal wid di youth dem right or else a Riot going start

pose up like a wall?
Mi no kno you kno Gong, definite dem wrong, mi no trust dem none at all
Obviously the only outcome is that them bout fi fall
If dem diss we, dem wake up and see, dem life done that is all
Because no bwoy, no guy no fi a have man name a call
No day, no time mi no accept no common assault
Naw watch no face man a living Juggernaut
Man a no Bugs Bunny, Man a no Disney nor Walt See dem a come and a move like dem want fi exalt
Have it, let dem see can easy fi get caught
Di profit tell you seh provoke the youths not to wrath
Deal wid di youth dem right or else a Riot going start When di lion dem a sleep, do no wake them up back
Mi sorry fi di sheep, leopard and di bullfrog
When di peace it a keep, do no get wi head hot
Deal wid di youth dem right or else a Riot going start

Deal wid di youth dem right or else a Riot going start
Deal wid di youth dem right or else a Riot going start
A Riot going start, a Riot going start
Deal wid di youth dem right or else a Riot going start
