

Love Changes Everything

Nana Mouskouri

Love, love changes everything
Hands and faces, earth and sky
Love, love changes everything
How you live and how you die
Love can make the summer fly
Or a night seem like a lifetime
Yes love, love changes everything

Now I tremble at your name

Nothing in the world will ever be the sameLove, love changes everything

Days are longer words mean more

Love, love changes everything

Pain is deeper than before

Love will turn your world around

And that world will last forever

Yes love, love changes everything

Brings you glory, brings you shame

Nothing in the world will ever be the sameOff into the world we go

Planning futures, shaping years

Love bursts in and suddenly

All our wisdom disappears

Love makes fools of everyone

All the rules we make are broken

Yes love, love changes everyone

Live or perish in it's flame

Love will never never let you be the sameLove will never never let you be the same
