Yeah She Does

Rodney Atkins

Baby likes to stay up early
Baby likes to get up late
She likes to spend my money
Never leaves a thing on her plate, yeah, yeahBaby likes to steal the covers
And tell me she's still cold
She likes to call her mama
When I don't do what I'm told
Don't like to do what I'm toldDoes she want me? Whoa, whoa, yes, she does
Does she need me? Whoa, whoa, yes, she does
Does she need me? Whoa, whoa, yes, she doesI love everything about her
'Specially when she wants my love
I love everything about her
'Specially when she wants my loveShe got a jealous bone
She likes me under her thumb
Keeps me in her pockets
And keeps me comin' undoneIt's all in the name of good fun, ain't it baby
Yes, I'm her only one
I love to her say c-c-come on
It rolls right off of her tongue, yeah, it doesDoes she want me? Whoa, whoa, yes, she does
Does she move me? Whoa, whoa, yes, she does
Does she need me? Whoa, whoa, yes, she doesI love every thing about her
'Specially when she wants my love
And if she ever said goodbye
I know that I would surely dieBut does she want me? Whoa, whoa, yes, she does
Whoa, whoa, yes, she does
Does she need me? Whoa, whoa, yes, she doesI love everything about her
'Specially when she wants my loveWhoa, whoa, yes she does
Does she move me? Whoa, whoa, yes, she does
Does she need me? Whoa, whoa, yes, she doesOh, I love everything about her
Everything about her
I love everything about her
'Specially when she wants my love
