

More Than Memories

Jr Thomas & The Volcanos

VERSE 1

Missing your devotion
said you'd never leave
And I'm giving up the notion
And I hope that you will see

CHORUS

Don't ya know that I want you more (you know that I want ya)
Don't ya know that I need you more (you know that I need ya)
Don't ya know that I love you more (you know that I love ya)
And I hope that you will see that we're more than memories -- yeah

[VERSE 2]

You kiss with such emotion
You speak your words so blue
You hold me with emotion
That you feel just like I do

CHORUS

Don't ya know that I want you more (you know that I want ya)
Don't ya know that I need you more (you know that I need ya)
Don't ya know that I love you more (you know that I love ya)
And I hope that you will see that we're more than memories -- yeah
