

Mike Will Made It

I'm in the club high off purp with some shades on  
 Tatted up, mini skirt with my J's onJ's on my feet  
     J's on my feet  
     J's on my feet  
 So get like meI be in the club standing on the couch  
     In them Wolf Grays like it's my house  
     Drinking out the bottle, I got no respect  
     Looking like a model, who just got a check  
     I back it up, cause I don't give a fuck  
 If you're a lame, that's a shame you can't hang with us  
     I'm MC Hammer fly, you can't touch  
 J's so fly I should work at Flight ClubPut on my J's and dance the whole night away  
     I'm naughty by nature like I'm hip-hop hooray  
     With my hands in the sky, I wave 'em from side to side  
 My feet on the floor, I'm 'bout to turn up nowI'm in the club high off purp with some shades on  
     Tatted up, mini skirt with my J's onJ's on my feet  
     J's on my feet  
     J's on my feet  
     So get like meI be rockin' J's or  
     I be rockin' Taylors  
     I got lots of flavors, my kick game is major  
     More kicks than the players, call me up I'm scorin'  
     Hit it like a free throw, tongue out like I'm Jordan  
     Smiley, Miley, come swing the thing right by me  
 Gotta a joint if you wanna get stoned, got choppers if they wanna try me  
     Pro athlete I'm not no wannabe  
 Waitress asked how many bottles? I said 23Put on my J's and dance the whole night away  
     I'm naughty by nature like I'm hip-hop hooray  
     With my hands in the sky, I wave 'em from side to side  
 My feet on the floor, I'm 'bout to turn up nowI'm in the club high off purp with some shades on  
     Tatted up, mini skirt with my J's onJ's on my feet  
     J's on my feet  
     J's on my feet  
 So get like meI stay showin' out, my kick game is a beast  
     I got thirty pair of J's that ain't never been released  
     Flu game twelve, Space Jam 11  
     On the hype beast sick, they gon' need a paramedic  
     Turn up, turn up, turn up, I got trippy, I stay live  
     All this purple in my cup, match them grape 5's

I'm so high, I got three bitches that go bi  
I'm so fly, I'm gettin' head like a blow dryer  
Put on my J's and dance the whole night away  
I'm naughty by nature like I'm hip-hop hooray  
With my hands in the sky, I wave 'em from side to side  
My feet on the floor, I'm 'bout to turn up now  
I'm in the club high off purp with some shades on  
Tatted up, mini skirt with my J's on  
J's on my feet  
J's on my feet  
So get like me
