

# CITY ON FIRE

## noXcuse

Woke up this morning in a bed, in a bed of fire  
People and buildings in my head burning there tonight  
    Tonight as I lay sleeping, I try to hold your hand  
    One eye open and dreaming that this city is on fire  
Tell me sweet things in the middle of the night, it's the middle of the night  
    Open my window and the room is filled, filled with burning light  
    Tonight as I lay sleeping, I try to hold your hand  
    One eye open and dreaming that this city is on fire  
    Woke up this morning in a bed, in a bed of fire  
    People and buildings in my head burning there tonight  
    Tonight as I lay sleeping, I try to hold your hand  
    One eye open and dreaming that this city is on fire
