

# Spend a Little Time

## Rusty Clanton

Somewhere on the other side  
Of the world  
You are  
Having the time of your life  
Baby that's fine  
Cause i know  
Though you are far away  
Our hearts remain the same  
And they'll go through great lengths  
To keep it that way

Our love  
Has braved dangerous storms  
And compared to what we've seen  
This is nothing at all  
There isn't anything  
I wouldn't go through  
To spend a little time  
With you

While you play in a far away land  
I'm doing the best i can  
To get through the home stretch  
I'm telling my hands  
To please be still  
For the day's near  
Soon you're coming back here  
We're gonna dance the way  
We did last year

Our love  
Has braved dangerous storms  
And compared to what we've seen  
This is nothing at all  
There isn't anything  
I wouldn't go through  
To spend a little time  
With you

There isn't anything

I wouldn't go through  
To spend a little time  
To spend a little time  
With you
