

# Naive

## Negative

I see someone's crying  
I see tears are shining  
I see grass is green  
I see what you feel I mean you are so Naive  
I see I'm not blind  
I mean you are so Naive  
I see I'm not blind I hear someone's crying  
I hear tears are falling I mean you are so Naive  
I see I'm not blind  
I mean you are so Naive  
I see I'm not blind I see someone's crying  
I see tears are shining  
I see grass is green  
I see what you feel I mean you are so Naive  
I see I'm not blind  
I mean you are so Naive  
I see I'm not blind
