

# Cave In

## Cold Karma Circus

Please take a long hard look through your textbook  
'Cause I'm history  
When I strap my helmet on I'll be long gone  
'Cause I've been dying to leave Yeah, I'll ride the range and hide  
All my loose change in my bedroom  
'Cause riding a dirt bike down  
A turnpike always takes its toll on me I've had just about enough of quote  
"Diamonds in the rough"  
Because my backbone is paper thin  
Get me out of this cavern or I'll cave in If the bombs go off, the sun will still be shining  
Because we've heard it said that  
Every mushroom cloud has a silver lining  
Though I'm always undermining too deep to know Swallow a drop of gravel and blacktop  
'Cause the road tastes like wintergreen  
The wind and the rain smell of oil and octane  
Mixed with stale gasoline I'll soak up the sound, try to sleep on the wet ground  
I'll get ten minutes give or take  
'Cause I just don't foresee myself getting drowsy  
When cold integrity keeps me wide awake Get me out of this cavern or I'll cave in  
Get me out of this cavern or I'll cave in I'll keep my helmet on just in case my head caves in  
'Cause if my thoughts collapse or my framework snaps  
It'll make a mess like you wouldn't believe Tie my handlebars to the stars so I stay on track  
And if my intentions stray I'll wrench them away  
Then I'll take my leave and I won't even look back  
I won't even look back
