

# So High (Cloud 9 Remix) [feat. Lauryn Hill]

## John Legend

Baby since the day you came into my life  
You made me realize that we were born to fly  
You showed me everyday new possibilities  
You proved my fantasies of love could really be  
Let's go to a place only lovers go  
To a spot that we've never known  
To the top of the clouds we're floating away yeah  
Ooh this feels so crazy  
Oh this love is blazing  
Baby we're so high  
Walking on cloud nine (You've got me up so high) So high  
(My shoes are scraping the sky) So high  
(You've got me up so high) Oh  
(My shoes are scraping the sky) Maybe later we could go up to the moon  
Or sail among the stars before the night is through  
And when morning comes we'll see the sun is not so far  
And we can't get much closer to God than where we are  
We'll go to a place only lovers go  
To a spot that we've never known  
To the top of the clouds we're floating away yeah  
Ooh this feels so crazy  
Oh this love is blazing  
Baby we're so high  
Walking on cloud nine (You've got me up so high) So high  
(My shoes are scraping the sky) So high  
(You've got me up so high) Oh  
(My shoes are scraping the sky) Ooh yeah  
Ooh oh hey Ooh this feels so crazy  
Oh this love is blazin'  
Baby we're so high  
Walking on cloud nine  
You got me up so high  
You got me up so high  
You got me up so high  
My shoes are scraping the sky You got me up so high  
You got me up so high  
You got me up so high  
My shoes are scraping the sky ooh ooh  
Yeah, yeh This is how love's supposed to be  
This is how, this is how love's supposed to be, yeah  
Let's go to the moon baby, ooh

Let's go to the moon baby, yeah  
Let's go, go, let's go to the moon baby  
So high
