

Broken Promises

Del Shannon

Tonight you're leaving and it's goodbye
A fool in love's not strong
How will I tell my heart that
Broken words, broken promises
Cause broken hearts?

I really loved you and I still do
Our love was make-believe
And now I plainly see that
Broken words, broken promises
Cause broken hearts

Don't you remember things you once said?
Can't you forget him?
Take me back, baby, love me instead

But you say you're sorry, it has to end
You put on quite a show
And now I really know that
Broken words, broken promises
Cause broken hearts

Broken words, broken promises
Cause broken hearts
