

# Rollin' Stone

## Bob Shane

Well, I wish, I was a catfish  
Swimmin' in a oh, deep blue sea  
I would have all you good lookin' women  
    Fishin', fishin' after me  
    Sure 'nough, after me  
    Sure 'nough, after me  
    Oh 'nough, oh 'nough, sure 'nough  
        I went to my baby's house  
        And I sit down oh, on her steps  
She said, "Now, come on in now, Muddy"  
    You know, my husband just now left  
    Sure 'nough, he just now left  
    Sure 'nough, he just now left  
    Sure 'nough, oh well, oh well  
    Well, my mother told my father  
        Just before hmm, I was born  
        "I got a boy child's comin'  
He's gonna be, he's gonna be a "Rollin' Stone"  
    Sure 'nough, he's a "Rollin' Stone"  
    Sure 'nough, he's a "Rollin' Stone"  
Oh well he's a, oh well he's a, oh well he's a  
    Well, I feel, yes I feel  
Feel that I could lay down oh, time ain't long  
    I'm gonna catch the first thing smokin'  
    Back, back down the road I'm goin'  
        Back down the road I'm goin'  
        Back down the road I'm goin'  
    Sure 'nough back, sure 'nough back
