

One Eye Dollar (Live in Flint)

Clutch

I been working, one eye dollar
Bye and bye, Lord, bye and bye
I been working, one eye dollar
Bye and bye, Lord, bye and byeI got the plans to the Oval Office
Bye and bye, Lord, bye and bye
I got the plans in my front pocket
Bye and bye, Lord, bye and byeIn the inner chambers of the President
You will find no crosses, only pentagrams
Beelzebub and business suits
On the hot line, all rightI been working, one eye dollar
Bye and bye, Lord, bye and bye
I been working, one eye dollar
Bye and bye, Lord, bye and bye
I been working like a pack mule every day
