

# I'll Never Be Free

**Billy Jo Spears**

Each time I hold someone new  
My arms grow cold aching for you  
    No one can take your place  
    Darling in my embrace  
    I'll never be free

And when my lips burn with desire  
    No other kiss puts out the fire  
    Though I may try and try  
No one can satisfy this longing in me

I'll never be free from your smile so tender  
    The sweet surrender in your eyes  
How can I be free when I still remember  
    How you could thrill me with a sigh

Just like a chain bound to my heart  
Your love remains when we're apart  
    Each kiss I gave to you  
    Made me a slave to you  
    I'll never be free
