Hanging On

Cheyenne Kimball

I've had a bad day
And nothing ever seems to go my way
I've got a heartache
Don't wanna think about itAnd every time I try to smile, I cry
So, I'll just hide my face
Get out of my way
Don't wanna talk about itAnd I'll be fine
I just need some timeI'm hanging on today
And nothing's gonna stop me anyway
I'm holding on, I'm strong
I'm the only one who can make it changeI don't want advice
I've gotta live my life
I'm gonna make it alright
I'm hanging on
And nothing's gonna stop me anywayI went the wrong way
But I'm not lost, it's a good mistake
I saw the day break
I'm gonna shout about itOh, and every time I turn around
I find that, I'm alone again
I've had a bad day
I'm gonna laugh about itAnd I'll be fine
I'm gonna be alrightI'm hanging on today
(Today, yeah)
And nothing's gonna stop me anyway
I'm holding on, I'm strong
(I'm strong)
I'm the only one who can make it changeI don't wanna cry
Gotta live my life
I'm gonna make it alright
I'm hanging on
And nothing's gonna stop me
Nothing's gonna stop meWhen I get lonely
And feel like I'm floating
Nothing is real
I'm above it allI'm above it
I'm above it all
I'm hanging on today
And nothing's gonna stop me anyway
I'm holding on, I'm strong

I'm the only one who can make it changeI'm hanging on today
And nothing's gonna stop me anyway
I'm holding on, I'm strong
I'm the only one who can make it changeI don't wanna cry
Gotta live my life
I'm gonna make it alright
I'm hanging on
And nothing's gonna stop me anywayI've had a bad day
