Go Harder

Murda Mook

I sent a dozen roses,
She said she doesn't want it,
Said all she wants is my time, my time now

I make a reservation,
There's always complication,
Cause I keep wasting my my now

She loves me,
But she's lonely,
And lets all leave
So much she can take now,
Made a promise, to be honest,
And I want this, I want this to work out

[Chorus]
I'll do anything to make this work, I said na na na na na na na na,
I'll do anything to make this work, I go harder, I go harder baby,
So put your hands in the air and leave them up there if you really believe
In love,
I'll do anything to make this work, I go harder, I go harder baby

I try to send her shopping,
She doesn't buy distractions,
It's like my platinum declined, declined now,
I think she started doubting,
bad times, bad times now

Said she loves me,
But she's lonely,
And lets all leave
So much she can take now,
Made a promise, to be honest,
And I want this, I want this to work out

[Chorus]

Oh, oh oh, oh oh, oh ohh, yeah, ohh oh, go harder baby,
Oh, oh oh, oh oh, oh ohh, yeah, ohh oh, go harder baby,
S.O.S is all that I need, all that I need, all that I need,

S.O.S is all that I need, so I gotta go harder now,
S.O.S is all that I need, all that I need, all that I need,
S.O.S is all that I need, so I gotta go harder now

I'll do anything to make this work, I go harder,
I'll do anything to make this work, I said na na na na na na na na,
I'll do anything to make this work, I go harder, I go harder baby,
So put your hands in the air and leave them up there if you really believe
In love,
I'll do anything to make this work, I go harder, I go harder baby

I'm coming, I'm coming home, cause I really gotta see you tonight,
I'm coming, I'm coming home, cause I really gotta see you tonight,
I'm coming, I'm coming home, cause I really wanna see you tonight!
