Find Your Way

Stacy Barthe

Lyrics: Stacy Barthe (Find Your Way)Verse 1
In A World, Full Of People,
Here I Sit, All Alone,
My Better Half, Is Gone
I Been Hurting For A Long Time,
If Your See Me Smiling
Now I'm Lying
On The Inside
I'm 2 Seconds From Dying
But Nobody Knows It
But Nobody Know
Cause They Cant Hear Me At Night
When I'm Crying
Holding My Pillow Tight
Pretending It Was YouChorus
Find Your Way Um Back To Me
Find Your Way Come Back To Me, Oh
Find Your Way To Me
Find Your Wayyyyah
Find Your Way Back In To My Heart
Find Your Way Back When We First Started
Find Your Way To Me
Find Your WayVerse 2
Is It Just Me
Or Does The World Seem
Like It's Gotten Colder In January
Nothing Looks The Same
And Everything Reminds Me Of You, You
Like In Abandon Town
You Left My Heart
In Shambles
You Broke Me Down, Down, Down
And No One Really Knows It But You,
No One Really Knows It,
Cause They Can't Hear Me At Night
When I'm Crying
Holding My Pillow Tight
Pretending It Was You!!!Repeat Chorus
Cause They Can't Hear Me At Night

When I'm Crying
Holding My Pillow Tight
Pretending It Was You!!!Repeat Chorus
