

# Lay It Down

## The Benjamin Gate

Head up a ring around the sun  
It burdens me you know it weighs a ton, yeah  
Makes me want to run Tears running rings around my eyes  
You can see, I'm not the only one  
Weighed down by a ton Lay it down, lay it down, lay it down  
Lay it down, lay it down, lay it down  
Lay it down at His feet, lay your burden down Lay it down, lay it down, lay it down  
Lay it down, lay it down, lay it down  
At His feet, lay your burden down Stand back, the fire destroys the sky  
No longer need to be on the run from the sun  
Hold on to what He's done Hands up tear the tie that binds  
God, break the masks that make me blind  
Lay down all I find Lay it down, lay it down, lay it down  
Lay it down, lay it down, lay it down  
Lay it down at His feet, lay your burden down Lay it down, lay it down, lay it down  
Lay it down, lay it down, lay it down  
At His feet, lay your burden down I am heavy, I am breathless  
I am drenched with tears  
But I am surrounded by Your fire I am heavy, I am breathless  
I am drenched with tears  
I will, I will never take, I will Lay it down, lay it down, lay it down  
Lay it down, lay it down, lay it down  
Lay it down at His feet, lay your burden down Lay it down, lay it down, lay it down  
Lay it down, lay it down, lay it down  
At His feet, lay your burden down Lay it down, lay it down, lay it down  
Lay it down, lay it down, lay it down  
At His feet, lay your burden down Lay it down, lay it down, lay it down  
Lay it down, lay it down, lay it down  
At His feet, lay your burden down
