

I Wish She Wouldn't Treat You That Way

The Judds

The way she treats you is a doggone crime
I just get blue about it all the time
Drives me crazy how she walks that line
I wish she wouldn't treat you that way, baby
I wish she wouldn't treat you that way
I ain't sayin' that she's bad to you
She does every little thing a lover should do
Any fool could see that her love is true
I wish she wouldn't treat you that way, baby
I wish she wouldn't treat you that way
She ain't the only one who loves you dear
She ain't the only one who needs you near
How am I ever gonna have my day
I wish she wouldn't treat you that way
I wish she wouldn't treat you that way
See you walkin' with her hand in hand
By the look on your face you're a happy man
She's ruinin' all of my best layed plans
I wish she wouldn't treat you that way, baby
I wish she wouldn't treat you that way
She ain't the only one who loves you dear
She ain't the only one who needs you near
How am I ever gonna have my day
I wish she wouldn't treat you that way
I wish she wouldn't treat you that way
I wish she wouldn't treat you that way, baby
I wish she wouldn't treat you that way
I wish she wouldn't treat you that way, baby
I wish she wouldn't treat you that way, baby
I wish she wouldn't treat you that way
(I wish she wouldn't treat you that way)
I wish she wouldn't treat you that way, baby
I wish she wouldn't treat you that way
